## **DETAILED ACTION**

### ***Oath/Declaration***

1. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

Non-initialed and/or non-dated alterations have been made to the oath or declaration. See 37 CFR 1.52(c).

Specifically, in the supplemental declaration received 5/19/05, the addressed of the second inventor, Mr. Bargenquast, has been altered, but not initialed.

The forthcoming declaration should also meet paragraphs 1 and 2 of the final Office Action mailed 10/27/04. Because the oath was defective, claims 1-19 and 22-33 remain rejected as being based upon a defective reissue application under 35 USC 251 as per the final rejection.

2. Also, the response or amendment should have included a copy of the claims currently pending in the case with claim identifiers for each claim.
